

Field Failure Report - Industrial Products

In order that all incoming goods to COMET are directed quickly and efficiently to the appropriate party, the information you give us below is of the greatest importance. Please complete this form and e-mail it to service.xray@cometusa.com BEFORE returning the goods. COMET will then issue a RMA-number to you by e-mailing you a service notification. Please include a copy of the service notification in the shipping documents and return the goods to:

COMET Technologies USA Inc.
100 Trap Falls Road Extension
Shelton, CT 06484
USA

- IMPORTANT!** → No return shipments are accepted without COMET service notification.
 → Analysis: For an analysis with estimate an inspection fee applies
 → Transportation damage: If transport insurance has been covered by COMET, a report from the insurance broker, carrier or postal service has to be returned immediately.
